Dr. J. A. Lederberg
Department of Genetics
College of Agriculture
University of Wisconsin
Madison, Wisconsin

Dear Joshua:

Thanks for your note of February 11 and
for the material on Mr. Gaylen Bradley.
Dr. McGuire is out of town this week, but
will want to look this over when he returns.

We are especially grateful for the copy of
your manuscript on heterokaryosis in strepto-
mycetes.

Sincerely,

R. C. Pittenger
Department of
Microbiological Research
